## The Objectives of Kiwanis International

**To give** primacy to the human and spiritual, rather than to the material things of life. **To encourage** the daily living of The Golden Rule in all human relationships. **To promote** the adoption and the application of higher social, business, and professional standards. **To develop**, by precept and example, a more intelligent, aggressive, and serviceable citizenship. **To provide**, through Kiwanis clubs, a practical means to form enduring friendships, to render great service, and to build better communities. **To cooperate** in creating and maintaining that sound public opinion and high idealism, which make possible the increase of righteousness, justice, patriotism, and goodwill.

**The K-W Kiwanis Music Festival is a non-profit organization. Contributions are authorized as charitable donations under the provision of the Income Tax Act.**
